(Prof.ssa Roscini)

It's fluffy and souflly,  
it's like a cloud, you take  
it from a goat and you can  
use it to make a coat.  
What is it?

## CASHMERE RAP

Cashmere is the best cause

I can do a lot of things with it:

like jumper, socks, hat and gloves.

I don't think about the weather

when I have my cashmere sweater.

A wool, is cool

it's dense like the water of a swimming pool.

Hey you, take a note

for cashmere there is a goat!
