Il progetto ***Eteening, teenagers across Europe*** ha coinvolto le classi 2D e 2I della scuola secondaria di 1 grado.

I partner sono stati: Spagna, Portogallo, Polonia e Grecia.

Nella prima fase di conoscenza ciascun gruppo nazionale ha realizzato prodotti di presentazione di sé stessi e delle rispettive scuole. A Natale ciascun gruppo nazionale ha illustrato le proprie tradizioni natalizie. Questa prima fase di conoscenza si è conclusa con incontri online in orario curricolare in cui le varie classi hanno potuto incontrarsi e scambiarsi gli auguri.

Nella seconda parte del progetto i ragazzi hanno lavorato affrontando la tematica del rapporto fra giovani e tecnologie, in particolare l'uso dei vari device tecnologici.

Ciascun gruppo nazionale ha elaborato un sondaggio con *Google Moduli* riferito a questo argomento. I nostri ragazzi hanno creato un sondaggio su **teenagers e TV**. I sondaggi sono stati condivisi fra tutti i partecipanti e tutti gli studenti hanno fornito le loro risposte. I risultati dei sondaggi sono stati poi analizzati con percorso CLIL inglese matematica e condivisi negli incontri online.

Questi sono i risultati del nostro sondaggio, che abbiamo condiviso durante l'incontro online.

I ragazzi sono stati poi coinvolti in una sfida chiamata **DETOX DAY**, in cui hanno accettato di non utilizzare device tecnologici per un giorno. E' stato realizzato un [Padlet](#) in cui coloro che avevano aderito alla sfida hanno commentato la loro esperienza.

Il lavoro conclusivo è stata la creazione di un poster collaborativo sulla bacheca [JAMBOARD](#) in cui i ragazzi hanno dato spazio alla propria creatività realizzando disegni, poesie, rime, acrostici relativamente al DETOX DAY. Il titolo del poster è stato individuato tramite una votazione collettiva fra i vari titoli proposti da ciascun team nazionale. ([votazione titolo](#))

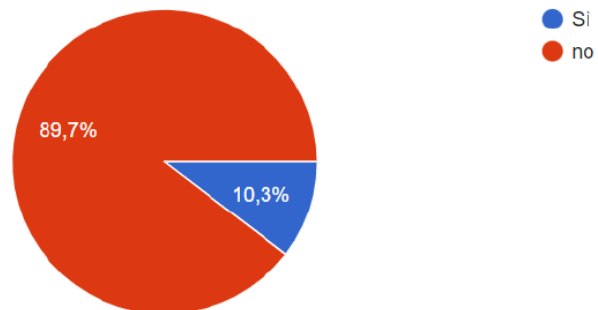

Infine, i nostri alunni hanno risposto a un questionario di valutazione sull'esperienza svolta e gli esiti sono stati estremamente positivi. Queste sono le risposte dei nostri ragazzi.
